

PORTABLE

# WiFi for Coaches

*Move from coach to coach as required*

**€100 PER MONTH\***

Portifi is Portable Wifi designed for transport operators, simply plug the case in to any cigarette lighter and go.

Allowing you to easily move the Wifi to whichever vehicle suits within seconds.

## Portable Case

Rugged, hard-wearing case that plugs in to a cigarette lighter (12/24 V DC). Fan cooling system and security lock to prevent it being taken from the vehicle.

## Attract more Customers

Free WiFi while travelling is at the top of passengers wish lists. Attract customers by allowing them to stay connected on the move!

## Reassurance

Portifi is a reliable, high-speed Wifi solution designed for coaches. It works on the latest 4G LTE & 3G networks with optional failover to secondary networks where required.

## Increase Competitiveness

Transport operators all over the world are realising the value WiFi brings in helping them differentiate and innovate.
